Prayer for our Country

Father, as we look at our country today, we see a country divided. Lord, forgive us! Our purpose is to point those around us to Jesus, yet we stand guilty of pointing **at** people instead. Remind us that you are sovereign and you know all things. Show us how to cross the divide and come together for one purpose, which is to glorify you. Keep us focused on what counts and what matters. Bring us back to having the reputation of being a city on a hill, shining the light of Jesus for the whole world to see. Only then may peace reign in our nation, unite us, and protect us from those that would seek our downfall. In Jesus name, amen.

Prayer for our State

Lord God, our great state of Georgia has the eyes of the world watching us, but you are the only one we care about pleasing. We pray that You will be put in your rightful position in the eyes of Georgians. Give the leaders of our state the wisdom and integrity to lead us in the best direction using Your Word as their guide. Give our governor and his team discernment when making decisions, when drawing up legislation, and when passing laws. We ask you to bless those who seek to follow your ways and we pray for mercy on those that are deliberately defying you. In Jesus name, amen.

Prayer for our County

Father, what a blessing to be able to live in the beauty of your creation. Every vista, every place we go, is a reflection of your beauty and your majesty. Help us to also be that reflection of you, so that those who visit this place will go away saying that we are a people who know their creator! And then help us to remember that the beauty around us isn't what we should be worshipping, but using that beauty to point others to you. May our witness stand out and be a blessing to you and glorify you above all things. In Jesus name, amen.

Prayer for our Town

Father, our community is so blessed to be a family of believers that sees beyond denomination and works together for the good of the people who live here. Thank you for this big, beautiful church family that has been brought together through our belief in Jesus Christ. Help us to stay ever mindful that the lost are watching us! Let our lives and actions be the witness that draws them to you. Give us a better understanding of how to disciple new Christians and keep ourselves out of the way by pointing them to you. We love you and praise you for how you use us in this endeavor to grow your kingdom. In Jesus name, amen.
