Kingdom Prayer Focus

Dear God in Heaven, we love you and we know that your promises in the Bible are true. Please hold us in the palm of your hands as we strive to not only change our behavior, but change our hearts. We are thankful that you care for us and that you ask us to cast all our anxiety onto you. Forgive us when we take that anxiety back from you and then wear it like a garment day in and day out...reducing our witness to the lost to be all about us and not about you. Help us to be mindful that Jesus disarmed and made a public spectacle of our enemy and triumphed over them! Then remind us of those things that our enemy will try to use against us; unconfessed sin, unforgiveness, and untruths. Keep us in your word for us to use as a mighty weapon and in the shadow of your wings for our security and protection. In the Holy name of Jesus, amen.
